**BIODEGRADABLE AND
COMPOSTABLE WITHIN 90 DAYS**

BIODEGRADABLE & COMPOSTABLE

We create compostable packaging solutions for a circular economy where there is no waste.

It starts with responsibly sourced materials, continues with an environmentally certified manufacturing process, and ends with disposal options that see resources reused or regenerated.

Features

- Food Safe
- Heat & Cold Resistant
- Refrigerator & Freezer Safe
- Water Resistant
- Oven Safe (up to 180 °C for 45 mins)
- Certified Product
- Disposable

About Us

The finest remedy for increase in plastic garbage is using biodegradable products.

April Sunshine Tableware is a distributor of **100% Natural, Decomposable & Eco-Friendly products.**

We provide sustainable biodegradable tableware of the highest caliber, products that don't affect the environment for your daily needs.

Our product is created from sugarcane pulp, a natural and regenerative resource. We offer lovely bleached tableware that enhances the elegance of any eating experience.

Our primary goal is to lessen environmental pollution through by distributing and creating awareness about natural product usage, which enables us to give our customers and future generations better health and a higher standard of living.
